

INSURANCE VERIFICATION

Dear Adoptive Applicant(s),

We need to ensure your child will have medical coverage.

Please have your insurance company write a letter stating when they will begin covering your child (ie: time of relinquishment, transfer of custody, or when you take your child home).

It is important for them to include your name and insurance verification numbers.

Please provide a copy of this letter to Home Study Resource Consulting and keep a copy to give to your attorney and the hospital.

Please also include a copy (front and back) of your insurance identification card.

Regards,

Rhonda Clarkson
