

# Suzi & Paul

**Dear Birthmother,**  
Hello, we are Suzi & Paul. We love and respect each other deeply and are so happy about becoming first time parents. We are an active fun loving couple who have been married for five years. Our home is full of music, laughter, and our beloved pets. As a couple we have traditional family values, excellent morals, and we love to do everything together.

# About Us...

When we first met, it was as if we knew each other all our lives. One year later, we had our fairy tale wedding at Disneyworld, surrounded by our dear family and friends, we began our life together. Our journey together has given us many wonderful blessings, we feel especially blessed to adopt our first child. We have a very strong marriage and love to be together. We enjoy traveling, all types of international cuisine, music, theatre, and the arts. We also love long walks, entertaining family, and spending quality time enjoying our beautiful home.

# Meet My Wife Suzi:

**Suzi is such a loving, caring person. She is full of passion for everything in her life. She is always happy, and her smile, energy, and charisma always brighten up a room. I turn to Suzi for guidance and support everyday. She is a very giving person to me and everyone around her.**

**Suzi has saved many cats and other animals, and works hard to ensure their safety and well being. Animal rescue is her passion, and her kind nature is something I truly cherish. Suzi is always looking for a creative, new recipe, and is a great cook. The entire family looks forward to her baked goods. She is so smart and always looking to learn something new. She loves weekend adventures or just to stay at home and play a game. She is easy going and a constant joy to be around.**

# Meet My Husband Paul:

Paul is such a kind, patient and loving person. He is my rock and my best friend. He is sweet tempered, sensible, and an excellent provider. Paul is always making me laugh. If he is not working hard at his business, he is helping me around the house with everything.

Paul is always there to support me in everything I do and offer a helping hand. He is extremely honest and easy to approach and confide in. Paul is always open to any activity, vacation, enjoying the outdoors, going to a show or restaurant. He is well rounded and appreciates many different things.

# Our Home and Community:

We live in a private, gated, family friendly community. Our home has an open floor plan, with four bedrooms and four bathrooms, and a large yard with a swimming pool. There is a large children's park across the way from our home, with all kinds of fun equipment to play on. We belong to the private country club in our community, which is a short walk from our house. Our club has many children's programs, as well as golf, tennis, and swimming for all of the children who live in our neighborhood. We are a five minute drive from the beach, and a 20 minute drive from the city center, where there are plenty of theatre, museums, and cultural events.
